CALL FOR PAPERS

The 17th Asia Pacific International Conference on Information Science and Technology (APIC-IST 2022)

June 19-21, 2022, Gangneung (Skybay Gyeongpo Hotel), South Korea
<http://www.apicist.org>

Overview

The 17th Asia Pacific International Conference on Information Science and Technology (APIC-IST 2022) will be held on June 19-21, 2022, in Gangneung, South Korea. APIC-IST has advanced since its inception, making significant contributions to the areas of CT, BT, and IT alongside parallel industrialization policy. The upcoming APIC-IST 2022 will potentially bring together emerging issues on computing environments, web applications, and their new supporting technologies to be shared by a diverse group of industry professionals and academic researchers with a common interest. All accepted papers will be published in the conference proceedings. Additionally, expanded and revised versions of a short list of the papers presented at the conference will be selected for publication in a special issue of several international journals indexed by SCIE, SCOPUS, and ISI-Web of Science.
