

# CALL FOR PAPERS

## The 14<sup>th</sup> Asia Pacific International Conference on Information Science and Technology (APIC-IST 2019)

June 23-26, 2019, Beijing, China  
<http://www.apicist.org>

### Overview

The 14<sup>th</sup> Asia Pacific International Conference on Information Science and Technology (APIC-IST 2019) will be held on June 23 - 26, 2019, in Beijing, China. APIC-IST has advanced since its conception, making significant contributions to the areas of CT, BT, and IT alongside parallel industrialization policy. The upcoming APIC-IST 2019 will potentially bring together emerging issues on computing environments, web applications, and their new supporting technologies to be shared by a diverse group of industry professionals and academic researchers with a common interest. All accepted papers will be published in the conference proceedings. Additionally, extended and revised versions of a short list of the papers presented at the conference will be selected for publication in a special issue of several international journals indexed by SCIE, SCOPUS, and ISI-Web of Science.
