CALL FOR PAPERS

The 15th Asia Pacific International Conference on Information Science and Technology (APIC-IST 2020)

University of Queensland

July 5-7, 2020, Seoul (Sheraton Seoul Palace Gangnam Hotel), South Korea
<http://www.apicist.org>

Overview

The 15th Asia Pacific International Conference on Information Science and Technology (APIC-IST 2020) will be held on July 5-7, 2020, in Seoul, South Korea. APIC-IST has advanced since its conception, making significant contributions to the areas of CT, BT, and IT alongside parallel industrialization policy. The upcoming APIC-IST 2020 will potentially bring together emerging issues on computing environments, web applications, and their new supporting technologies to be shared by a diverse group of industry professionals and academic researchers with a common interest. All accepted papers will be published in the conference proceedings. Additionally, extended and revised versions of a short list of the papers presented at the conference will be selected for publication in a special issue of several international journals indexed by SCIE, SCOPUS, and ISI-Web of Science.
