CALL FOR PAPERS
The 14th International Conference on Internet (ICONI 2022)

December 11-13, 2022, Jeju Island, Korea
www.iconi.org

Overview

The 14th International Conference on Internet (ICONI 2022) will be held on December 11-13, 2022, in Jeju Island, South Korea. The primary goal of the conference is to provide researchers, practitioners, and students with the platform to share leading-edge knowledge and ideas in Internet Computing and related areas. Submitted papers will be subject to a double-blind review process. All accepted papers will be published in the conference proceedings. Additionally, extended and revised versions of a short list of the papers presented at the conference will be selected for publication in a special issue of several international journals indexed by SCIE, SCOPUS, and ISI-Web of Science.
Please come join us for ICONI 2022 whether you will be visiting Jeju Island in person or attending the conference virtually.
